REACH Declaration of Conformity

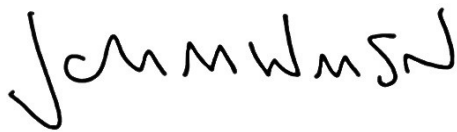

KYZEN products are a proprietary blend of chemical substances that make-up a final product. All chemical substances used to manufacture products placed on the market by KYZEN Corporation for sale in the European Union (EU) comply with Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 20 June 2013 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). KYZEN asserts compliance to REACH through (1) substance pre-registrations, (2) substance exemptions and (3) product allocation procedures, which maintain the volume of each substance imported below the annual threshold value requiring substance registration with the European Chemicals Agency (ECHA).

KYZEN products DO NOT CONTAIN any *Substances of Very High Concern (SVHC)*, as defined by the most recent amendment(s) to Regulation (EC) No 1907/2006, Article 57 and Annex XIV. <http://echa.europa.eu/candidate-list-table>

KYZEN products DO NOT CONTAIN any substance prohibited by Regulation (EC) No 1907/2006, Article 67 and Annex XVII, with amendments.

DATE ISSUED: 15 JANUARY 2019

ISSUED BY:

John M. Williamson, CSSBB
Quality Systems Manager

This Declaration of Conformity is issued by and under the sole responsibility of KYZEN Corporation. KYZEN is the leading provider of environmentally responsible cleaning chemistries to industries worldwide, with a strong commitment to safety and compliance wherever our products are sold. For more information regarding the regulatory compliance of KYZEN products, please visit www.KYZEN.com/COMPLIANCE.

All KYZEN products sold in the EU are manufactured in the United States of America. KYZEN BvBA, located in Aalter, Belgium, is the importer of record for KYZEN products placed on the market for sale in the EU.

KYZEN recommends that all of our customers verify their obligations under REACH by consulting the ECHA website at <http://echa.europa.eu/>.

>> KYZEN is an ISO 9001:2015 certified company <<
