Any additional or conflicting terms and conditions contained in, attached to or referenced by any of Customer’s purchase related documentation (collectively, “Purchase Order”), or other prior or later communication from Customer to KYZEN, shall have no effect on the purchase of any such Product by Customer from KYZEN and are expressly rejected by KYZEN. KYZEN will not be bound by any variations from or additions to these Terms contained in any Purchase Order or other document submitted by Customer. Customer acknowledges having read and agreeing to these Terms. Customer’s commencement of performance (including ordering, purchasing or taking delivery of Product) shall, in all cases, constitute Customer’s unqualified and unconditional acceptance of these Terms. KYZEN reserves the right to decline fulfilling orders at its discretion. All prices are subject to change without notice. Customer is responsible for all sales or use taxes, excise taxes, duties, and any other taxes, fees or charges of any nature applicable to Customer’s purchase of Product.

It is Customer's responsibility to inspect all Product received and to file any resulting claims directly with the carrier.

KYZEN warrants only, at the time of shipment, that Product in sealed containers shall conform to specifications for a period of time equal to the Product shelf-life indicated on the Certificate of Compliance. This limited warranty does not apply to Product in containers smaller than five (5) gallons. This limited warranty is void if the container has been opened or otherwise had its seal broken or if Customer has not properly stored Product. KYZEN DOES NOT MANUFACTURE PARTS, UTILIZE TOOLING, NOR DO KYZEN PRODUCTS CONFORM TO ANY CUSTOMER-DRIVEN SPECIFICATIONS, DRAWINGS OR DESIGNS. Product is intended for commercial use only and is not to be used for any other purposes. In no event will KYZEN be liable for Product damaged in shipment, improper care or storage of Product, or for any expenses incurred by Customer in testing or attempting to correct any alleged non-conformance of Product. KYZEN makes no warranty, express or implied, for any third party products or equipment sold by KYZEN.

KYZEN makes no warranty, expressed or implied, of merchantability or fitness for a particular purpose, course of performance or usage of trade. Customer is solely responsible for determining the suitability and completeness of such information for their particular application and for adopting appropriate safety precautions. Physical properties listed within are typical values based on samples tested and should not be construed as guaranteed analysis of any specific lot or as specifications for the product. The information contained in Safety Data Sheets is not intended to be all-inclusive as to the manner and conditions of use, handling, storage, disposal and other factors that may involve additional legal, environmental, safety or performance considerations, and KYZEN assumes no liability whatsoever for the use of, or reliance upon this information.
